

AMENDMENTS TO THE DRAWINGS

Attached are eight (8) sheets of corrected formal drawings corresponding to Figures 2-9 already of record in the present application.

REMARKS

In the Office Action dated March 20, 2009, the Examiner indicated that the drawings filed on July 10, 2006, were objected to (see Form PTOL-326, Box 10). However, the Examiner did not present reasons as to why the drawings were objected to or what corrections were needed.

In the Amendment filed June 22, 2009, in response to the March 20, 2009, Office Action, Applicants requested clarification of the reasons for the Examiner's objection to the drawings.

In an effort to expedite prosecution of the present application, Applicants submit herewith corrected formal drawings, which Applicants believe will overcome any objections that the Examiner may have had.

If the corrected drawings do not meet with the Examiner's approval for any reason, the Examiner is respectfully requested to advise Applicants as to what corrections are required.

Should there be any outstanding matters that need to be resolved in the present application, the Examiner is respectfully requested to contact the undersigned to conduct an interview in an effort to expedite prosecution in connection with the present application.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fees required under 37.C.F.R. §§1.16 or 1.17; particularly, extension of time fees.

Dated: JUN 26 2009

Respectfully submitted,
